

Greetings from the Management.

## Happy Wesak Day 2024!

As we come together to celebrate Wesak Day, we honour the birth, enlightenment, and passing of Lord Buddha. This significant occasion serves as a reminder of the values of compassion, wisdom, and peace that are central to his teachings. It's a time for reflection, mindfulness, and the practice of kindness towards all beings. We encourage our students and staff to embrace these principles in their daily lives, fostering a harmonious and inclusive environment within our school.

On this special day, let us take a moment to appreciate the diverse cultures and beliefs that enrich our community. We hope that the spirit of Wesak inspires each of us to contribute positively to the world around us. May this celebration bring peace, joy, and understanding to all. Happy Wesak Day to everyone!

## Teachers' Day Celebration

Earlier this week, we had a memorable Teachers' Day Celebration that highlighted the dedication and hard work of our esteemed educators. The event began with an inspiring speech by our head prefect, who expressed heartfelt gratitude to the teachers for their unwavering support and guidance. This was followed by a lively quiz titled "How Well Do You Know Your Teachers?" where students enthusiastically guessed the personal belongings of their teachers, fostering a fun and engaging atmosphere.

Students also had the opportunity to present thoughtful gifts to their teachers, adding a personal touch to the celebration and showing their appreciation in a meaningful way. The highlight of the event was the awards presentation, where teachers were recognised for their outstanding contributions in various categories. The joy and pride on their faces were truly heartwarming. The celebration concluded with a motivating speech by our Principal, who emphasised the vital role teachers play in shaping the future and encouraged everyone to continue striving for excellence. It was a day filled with appreciation, joy, and a renewed sense of community.

## World Book Day 2024

World Book Day celebration was filled with colors and excitement. It was a week brimming with a variety of activities designed to nurture and cultivate a love of reading. Students participated in creative costume parades, dressing up as their favourite literary characters, and the entire school community came together to honour the joy of books.

Let's take this opportunity to read on our own or with our children to celebrate the importance of reading. By fostering a lifelong love of literature, we enhance our imaginations, expand our horizons, and deepen our understanding of the world. Through reading, we nurture our children's growth as readers and thinkers, setting the foundation for their success and well-being. Embrace the magic of books and let it continue to inspire and transform us all!
