His remarkable dedication and skill have earned him a well-deserved gold medal. This incredible accomplishment is a testament to his hard work and perseverance. Everyone is incredibly proud of Shasthiigan and looks forward to seeing him continue to shine in his future endeavors.

## Royal Imagination

In the realm of drawing, every line and curve tells a story. Last week, our primary kids created imaginative kings and queens in their art lesson.

Drawing and coloring encourage students to express their creativity and imagination. These activities promote art as an essential tool for personal growth and self-expression.
