Batik Art and Marshmallow Magic!

In the latest Art Attack Club session, our students showcased their creativity through engaging activities. They explored the art of batik painting, crafting vibrant patterns and designs on fabric with impressive skill. The results were breathtaking, with each student producing their unique masterpiece. Additionally, they enjoyed a hands-on project creating edible marshmallow flowerpots. Using simple materials like marshmallows, wooden skewers, and toothpicks, they assembled charming treats that are sure to delight.
