## YOUNG ENTREPRENEURS FAMILY BAZAAR: A RESOUNDING SUCCESS!

Last Saturday, 29 June 2024, our school hosted the highly anticipated Young Entrepreneur Family Bazaar, a day filled with excitement, creativity, and community spirit. The event kicked off at 8am in the school hall with an inspiring opening ceremony. The atmosphere was electric as students, parents, and teachers gathered to celebrate the entrepreneurial spirit of our young minds.

Once the bazaar opened, the school grounds transformed into a bustling marketplace. Enthusiastic students manned their stalls, eagerly showcasing and selling their unique products from handmade crafts and delicious treats to creative services. The hard work and dedication of our students shone through every stall, drawing the attention and admiration of all attendees. A special highlight of the bazaar was the pet adoption drive, where seven adorable cats found their forever homes. This initiative not only added a heart-warming touch to the event but also highlighted the compassionate side of our student body. The day was packed with fun and competition. The Amazing Race saw teams racing around the school, completing challenges that tested their wits and teamwork. Meanwhile, the Imperial Idol competition showcased the incredible talents of our students, with singers, dancers, and performers captivating the audience.

The event concluded with a heartfelt closing ceremony at 2pm, where we celebrated the successes of the day and reflected on the remarkable achievements of our students. It was a fitting end to a day that truly exemplified the spirit of our school community. We extend our deepest appreciation to everyone who contributed to making the Young Entrepreneur Family Bazaar a phenomenal success. Special thanks go to the students for their creativity and hard work, the parents for their unwavering support, and the teachers and staff for their dedication in organising this event. Congratulations to our students on reaching this milestone and for their entrepreneurial spirit, which promises a bright future ahead.

Earlier this week, Mr. Austin Leong, the home's caretaker, visited our campus to receive the donations and expressed his heartfelt gratitude.
