

NOTICE BOARD

IGCSE Oct/Nov Series Exams

The exams will begin on Friday, 4 October 2024. Please note that on exam days:

- Primary students will line up at the school lobby.
- Secondary students are to proceed directly to their classrooms.

Let's all ensure a calm and respectful environment for all exam candidates. Good luck to those sitting for their IGCSE exams!

Student ID Card Distribution

We are pleased to inform you that student ID cards will be distributed starting next week. All students are required to wear their ID cards at all times while on school grounds for identification and security purposes.

Deepavali Assembly

We are excited to announce that our Deepavali Assembly will be held on 23 October 2024 at 8:00am. To celebrate this joyous occasion, we invite all students to come dressed in Indian traditional costumes. If students do not have traditional attire, they are to wear their school uniform or PE attire.

NEWLY APPOINTED YOUNG LEADERS AND PROBATIONARY YOUNG LEADERS

We are proud to announce the confirmation of our newly appointed Young Leaders and the induction of Probationary Leaders. These students have displayed exceptional leadership qualities, responsibility, and commitment to making a positive impact within the school community.

In a special ceremony, the newly confirmed Young Leaders took the Young Leaders Oath, pledging to uphold the values of the school and lead with integrity, respect, and dedication. In addition, our current Young Leaders also renewed their pledge, reaffirming their commitment to continue serving as role models and guiding their peers.

We congratulate all the leaders and look forward to the contributions they will make to the school!

SPOTLIGHT ON ONGOING MANDARIN PROJECTS

Year 8 students are currently working on a project where they are taking photos and videos to describe their school. This hands-on activity is allowing them to explore their surroundings while developing visual storytelling skills. As they capture images of key areas and moments around the school, they are working on narrating and presenting these visuals in Mandarin, enhancing their language proficiency. The project encourages creativity and observational skills, allowing students to express their perspectives on what makes their school special through multimedia.

Year 9 students are currently preparing a role-play script for their project titled *Interviewing the Person Who Influenced Me Most*. Students are tasked with selecting a person who has significantly influenced their lives and writing a script simulating an interview with them. This activity helps develop both their speaking and writing skills while encouraging them to reflect on the positive influences in their personal growth. Through role-play, they are practising meaningful conversations, all while enhancing their Mandarin language abilities.

Year 7 Mandarin students are currently embarking on a creative project titled *My Ideal Home*, where they are planning and designing their dream homes on mahjong papers. Through this engaging activity, students are combining language learning with creativity, labelling rooms and features in Mandarin while visualising their perfect living spaces. The project not only allows them to apply their vocabulary in a practical context but also encourages collaboration and critical thinking as they consider the layout, aesthetics, and functionality of their homes.

LOGA AND PERAK TEAM WIN BRONZE AT MSSM SQUASH: A LEGACY OF EXCELLENCE

Behind Loga and the Perak team’s bronze medal victory at the MSSM Squash tournament lies a story of grit, perseverance, and intense preparation. Squash is a demanding sport that requires peak physical fitness, mental strength, and quick strategic thinking. Loga committed months of rigorous training, perfecting his skills and pushing himself to the limit in preparation for the tournament.

Balancing academic responsibilities with challenging practice sessions was no easy feat, but Loga and his teammates persevered, training tirelessly to improve their technique and coordination. Their success reflects not just teamwork and dedication, but the continued legacy of squash excellence at our school. Players like Ghaneesha, Nirja, and Kirthi, who have also achieved great success in the sport, set a high standard for future athletes.

Loga’s accomplishment continues this tradition of excellence, and we are incredibly proud of his efforts, along with the entire Perak team, for making our school and state proud.

Kirthi Saravanan bagged bronze at MMSPK Kejohanan Squash U18 in 2023

Nirja with squash legend Datuk Nicol David in 2023

Ghaneesha secured 5th place in Boys U13 at CIMB Rising Star National Junior Circuit this year
