IGCSE Examination (May/June Series)

The IGCSE examination season is just around the corner, with the first paper scheduled for 25 April 2025 and the final paper concluding on 11 June 2025.

This year, over 60 candidates—including both school and private candidates—have registered through our centre. We commend them for their hard work and dedication in the lead-up to these important exams.

As the countdown begins, we wish all our candidates the very best. May your efforts bear fruit, and may you approach each paper with confidence and clarity.

HARI RAYA CELEBRATION 2025

Our Hari Raya celebration brought colour, culture, and joy to campus with this year's theme, "Embracing the Joys of Eid the Malaysian Way."

From pantun recitals and traditional dances to lively games like capteh, guli, and batu seremban, students and teachers alike celebrated the spirit of Eid with heart and enthusiasm. It was more than a festive event—it was a beautiful reflection of our shared heritage and the unity within our school community.

Selamat Hari Raya Aidilfitri from all of us! May this season continue to bring joy, warmth, and togetherness.

MID-YEAR PARENT-TEACHER CONFERENCE

A heartfelt thank you to all parents and guardians who joined us for the Mid-Year Parent-Teacher Conference on 27 and 28 March at the Legacy Hall. Your presence and partnership are key to our students' growth, and we truly appreciate your continued support.

As Term 2 comes to a close, we wish everyone a restful Raya break from 29 March to 13 April. Classes will resume on Monday, 14 April.

Selamat Hari Raya Aidilfitri to those celebrating!

OUR COMMITMENT TO SUSTAINABILITY

At Imperial International School, we believe that every small action can lead to big change. In conjunction with World Water Day, our students made personal pledges to use water wisely.

Our commitment doesn't stop there. We've been actively setting up recycling centres across the school, including in classrooms, to encourage daily habits that protect our planet. Every Friday is Recycling Day, a dedicated time for students and staff to collect and sort recyclables together.

Through these initiatives, we continue to nurture environmentally responsible learners who care for the world they live in.
