

DUAL-GUARDIAN VISA

FLEXIBLE LONG-TERM STAY IN MALAYSIA
THE PREFERRED ALTERNATIVE TO MM2H

CHOOSING THE RIGHT VISA FOR YOUR FAMILY

DUAL-GUARDIAN VISA AS AN ALTERNATIVE TO MM2H

While long-term options like MM2H exist, the **Guardian Visa** is a simpler, more affordable choice.

Designed for parents with children in Malaysian schools, it offers a flexible, education-focused pathway without the high financial requirements of lifestyle or investment visas.

MALAYSIA MY SECOND HOME (MM2H) VISA

The MM2H visa is a **long-term social visit visa** created for retirees, investors, and families seeking to establish a semi-permanent lifestyle in Malaysia. While it offers more benefits and flexibility, it also comes with more financial obligations.

This is best suited for families **planning full relocation**, not just for school years - ideal if you want to retire, invest, or permanently base your family in Malaysia.

DUAL-GUARDIAN VISA

The Dual-Guardian Visa is designed specifically for **parents or legal guardians** of children enrolled in recognised Malaysian schools. It's the ideal choice for families focused on **education support** without needing to meet high financial thresholds.

This visa offers a **flexible and affordable option** for parents to remain in Malaysia during their child's formative years, ensuring a stable and secure family presence.

FEATURE	MM2H VISA (PLATINUM TIER)	DUAL-GUARDIAN VISA
Purpose	Long-term lifestyle and investment relocation	Support your child's education
Visa Duration	10 years	Matches the child's school enrolment (up to 13 years, from kindergarten through year 12)
Financial Stability	RM5,000,000 fixed deposit + RM40,000/month offshore income	Selangor: RM20,000/month for 3 months (RM60,000 total in savings) Perak: RM 10,000/month for 3 months (RM30,000 total in savings)
Property Requirement	Must purchase property worth at least RM1.5 million in approved zones	None
Withdrawable Funds	Up to RM2,000,000 from fixed deposit for education, healthcare, etc.	N/A
Work Rights	Permitted (business ownership and passive income allowed)	Not permitted
Family Inclusion	Spouse, children (under 34), parents, in-laws	Up to two parent/guardian per child
Tax Benefits	Full exemption on foreign income remitted into Malaysia	None
Residency Conditions	Must stay in Malaysia for at least 90 days per year	No minimum stay requirement
Ideal For	High-net-worth families planning full relocation and investment	Families focused on their child's education with minimal financial requirements and full flexibility

GUIDED & RELIABLE: YOUR VISA MADE SIMPLE

DUAL-GUARDIAN VISA APPLICATION PROCESS

Whether you're enrolling at Peninsula International School Australia (PISA) in Selangor or Imperial International School (IIS) in Perak, Malaysia offers a straightforward visa application process for both students and their accompanying guardians.

Both schools provide dedicated administrative support to assist you throughout the process - from document preparation to visa submission - ensuring that every step is clearly explained and smoothly managed.

VISA APPLICATION PROCESS

1. Accept Offer Letter

Settle the registration fee, school fees, and security deposit.

2. Apply for Ministry of Education Approval

The school will apply for approval from the Ministry of Education (3-4 weeks).

3. Enter Malaysia

Students may enter **1 week before the school term** begins, upon receiving MOE approval.

4. Submit Visa Documents

Submit all student and guardian visa documents during orientation week.

5. Visa Approvals

- Student Visa: 12-16 weeks*
- Guardian Visa: 4-8 weeks*
(can only be submitted after student visa is approved)

Dual guardianship is typically permitted in Malaysia
- ideal for families wishing to have both parents present.

*Note: processing times may vary depending on document verification and approval flow.

DOCUMENTATION

Student's Application

1. Two (2) passport-size photos (blue background)
2. One (1) copy of passport (all pages; validity must exceed 12 months)
3. One (1) copy of certified true copy by embassy of the student's Birth Certificate or Adoption Certificate

A SMARTER CHOICE FOR INTERNATIONAL EDUCATION

Malaysia: The only place where both parents can apply for guardian visas for long-term stay.

Malaysia is fast becoming a top pick for families seeking international education in a safe, diverse, and affordable setting.

With strong English fluency, multilingual exposure, globally recognised qualifications, and family-friendly visas, it's a smarter alternative to costlier destinations like Singapore, Hong Kong, Australia - offering direct pathways to top universities worldwide.

English Fluency, Multilingual Advantage

Malaysia ranks among Asia's top three for English. In our international schools, students also learn Chinese, Malay and French, boosting cognitive skills and global readiness.

Diverse, Inclusive, Global

Malaysia is a true cultural mix of Malays, Chinese, Indians, and more. Students grow up with real acceptance to multiculturalism.

Safe and Family-Friendly

Ranked top 10 in the world for the Global Peace Index by Institute for Economics & Peace. Families enjoy modern infrastructure, private healthcare, and a warm, welcoming community in Malaysia.

Top-Quality Education, Lower Cost

Internationally recognised programmes like IGCSE and VCE are more affordable here. Families save on fees, housing, and living costs.

Support for Family Migration

Student Visas and Dual-Guardian Visas make long-term stays easier for families.

Pathway to Global Universities

Malaysia prepares students for entry into top universities worldwide - UK, US, Canada, Australia, and more.
