## SPOOKTACULAR FUN DAY | 31 OCT 2025

### A WICKEDLY AWESOME & HOWLING GOOD TIME

On the crisp morning of October 31, students of Imperial International School buzzed with an unusual kind of excitement. The dimly lit hall, eerie décor, and eager murmurs of students created a perfect Halloween atmosphere—what could scream Halloween better than this? Teachers, students, and parents embraced the theme wholeheartedly, flaunting their creative costumes and dressing up as their favourite Halloween icons. The event began with a fashion parade, where students, staff, and parents proudly walked the runway, striking their best poses and capturing spooky yet beautiful memories.

The opening ceremony featured a magical display of colours, followed by a brief speech by Mr Shawn, who warmed the crowd with Halloween cheer. Then came the highlight of the event—the much-anticipated prize-giving ceremony. The best-dressed participants took home sweet treats and presents, a fitting reward for their creativity and effort. The event then transitioned into a series of lively game stations—a delightful treat, especially for the primary students.

**BOO!**

6 November 2025 | Excellence in Learning, Leadership for Life

Each game station showcased the teamwork and enthusiasm of the secondary students. From Monster Craft and Spooky Trail to Potion Making, the activities truly brought out everyone's festive spirit. The Key Stage 1 and 2 students revealed their creativity and adventurous nature—some aced the games on their first try, while others improved with practice. Meanwhile, the Key Stage 3 and 4 students guided their younger peers patiently, ensuring everyone enjoyed the experience. In the end, the game stations proved to be a great success, keeping the primary students entertained throughout. As the event drew to a close, the festive spirit and cheerful energy of Halloween lingered in the air, leaving behind fond memories for all.

## SPORTS CARNIVAL | 30 OCT 2025

This week marked an exciting milestone at Imperial International School as students launched the inaugural Sports Carnival – entirely student-led from start to finish.

In a bold move, learners are taking charge of every aspect: organising games, coordinating teams, officiating matches, and ensuring smooth operations. This initiative transforms the traditional sports day into a powerful leadership experience – one that builds organisation, teamwork, and accountability while delivering action-packed fun.

Week One showcased remarkable coordination and creativity. The energy on the field reflected not only athletic spirit, but also the pride of ownership and teamwork.

As the carnival continues, the IIS community witnesses the true impact of trust and responsibility – when students are empowered, they rise to the occasion.

## ASSEMBLY HIGHLIGHTS | 27 OCT 2025

### Laughs, Legends and Lessons Year 5 Assembly Presentation

Last week's storytelling session stuck with me. Four Year 5 students, working together on stage—one as narrator, the others bringing the tales to life.

"The King's Silly New Rule" opened strong—confident, clear, perfectly delivered. Then came "The Empty Pot," and this is what made it special. The girl playing Ping was visibly nervous. Her hands shook, her voice wavered. But when Ping had to face the emperor with her empty pot while others brought fake flowers, those real nerves became the story. You felt what actual honesty costs. Finally, the session ended with the story — "Maui and the Sun", a tale about refusing to accept things as they are and working together to make change happen.

What stayed with me wasn't perfection—it was watching them push through their nerves. These Year-Fives remembered entire tales about emperors and demigods, delivering lessons on courage, honesty, and teamwork simply because they wanted to tell their stories well. Sometimes the biggest lessons don't come from textbooks. They come from watching someone stand up, fight through their fear, and share something that matters.

## ASSEMBLY HIGHLIGHTS | 3 NOV 2025

**How to be Responsible**

**Year 4 Assembly Presentation**

**RESPONSIBILITY**

Straight after Halloween, on November 3rd, came yet another exciting and creative experience! After all, who wouldn't want to savour the fun of role-playing just a little longer? Hehe... Halloween really makes one's spirit come alive and ready for drama!

Oh well—it's over now! Time to look forward to Christmas in just a month.

Year 4 kicked off the day with a lesson on responsibility and what it means to be responsible. Aww... how adorable to see little ones sharing such important life skills! They were enthusiastic, highly entertaining, and yet informative. It was beautiful to watch, and they acted it out wonderfully!

Instead of simply telling us, they showed us how to be responsible—becoming great role models for their younger peers through four different scenarios. Each scene featured a different student and situation, making it easy for everyone to relate to. The coordination and teamwork were impressive and must have taken plenty of practice!

Personally, I found it delightful. The children's humour and creativity brought so much joy to the hall. I'm sure everyone enjoyed this engaging new way of learning—and I can't wait to see what the younger ones come up with in the weeks ahead!

## ASSEMBLY HIGHLIGHTS | 3 NOV 2025

### ★ Stars of the Week: 27 - 31 Oct 2025

Every week, our school takes a moment to celebrate those who shine a little brighter, students who lead with kindness, learn with curiosity, and inspire others through their positive attitude. These individuals remind us that success isn't just about achievement, but also about effort, perseverance, and the spirit of teamwork.

At Imperial we are proud to recognise the following students for their outstanding diligence and enthusiasm:

- ★ Early Years: Hinata Ameno
- ★ Key Stage 1: Mone Sakuma
- ★ Key Stage 2: Vyhaan Dharmendraraj
- ★ Key Stage 3: Gan Yu Jun
- ★ Key Stage 4: Joud Safwan Daoud

## WELCOME, MS AZIRA!

# ART

With over seven years of teaching experience in Art and Design, Ms. Azira transforms classrooms into creative studios where imagination thrives. Armed with a Diploma and Bachelor's degree in Graphic Design & Digital Media, plus a Master's in Educational Technology, she seamlessly merges artistic excellence with cutting-edge pedagogy.

Ms. Azira believes art is more than a subject—it's a language of expression, a catalyst for confidence, and a lens through which students discover their unique creative voice. Through visual storytelling and hands-on exploration, she empowers young designers to see beauty everywhere and trust their artistic instincts.

Her philosophy captures the essence of the creative journey:  
*"Trust the process—the same way you trust your first stroke on a blank canvas. Every mark has meaning, and every step leads to a masterpiece."*
