

Student Council Committee Elected to Office

We are pleased to announce the election and investiture of the new Student Council Committee, which took place on 26 January 2026 during the school assembly. During the ceremony, the newly elected student leaders took their oath of office, formally committing themselves to serve the school community with integrity, responsibility, and dedication. This meaningful occasion marked the beginning of their leadership journey, as they accepted the trust placed in them by their peers and teachers.

The school looks forward to the positive contributions these student leaders will make in fostering a supportive school culture, strengthening student voice, and working collaboratively with staff to serve the wider school community in the year ahead.

Congratulations to our young leaders!

Special Presentation: Thaipusam

Thaipusam: A Journey of Faith and Sacrifice

Every year during the Tamil month of Thaipusam, something incredible happens in Malaysia. Thaipusam—a Hindu festival honoring Lord Murugan—transforms our streets into a powerful display of devotion that honestly leaves thousands speechless.

The commitment is intense. Devotees prepare for an entire month through fasting and strict vegetarian diets before embarking on a grueling fifteen-kilometer, sixteen-hour procession from Sri Mahamariamman Temple to Batu Caves. Ten thousand participants carry ornate kavadis on their shoulders, while others perform extreme acts of penance—piercing their skin with metal rods to show repentance.

What strikes me most is the final climb: 272 steps to reach the temple cave, after everything they've already endured.

Thaipusam reminds me that real faith demands action, not just words.

It's Malaysia's diversity at its finest.

Student Achievement

We are proud to recognise our students who participated in the 7th Singapore–Malaysia Regional International Chinese Proficiency Competition, a prestigious platform that celebrates Mandarin language proficiency at a regional level.

Cindy, Cyrus, and Yu Jun were awarded Certificates of Participation, marking their involvement in this international event organised by HSK Crestar. Their participation reflects not only their dedication to learning Mandarin but also their confidence in showcasing their language skills beyond the classroom.

This experience provided our students with valuable exposure to an authentic language-use environment and encouraged them to challenge themselves alongside peers from across the region. We commend them for their effort, perseverance, and willingness to step forward and represent the school with pride.

Well done to all three students on this meaningful achievement.

Pertandingan Sketsa Bertemakan Cerita Rakyat

Year 7 Malay

Pertandingan Sketsa Bertemakan Nilai Integriti

Year 9 Malay

This was no ordinary Malay lesson in the Year 7 and Year 9 classrooms — it was *Pertandingan Sketsa*!

Year 7 excelled in the *Cerita Rakyat* category, while Year 9 emerged victorious in *Nilai Integriti*. What truly stood out was the creativity and confidence both groups displayed in bringing the Malay language to life on stage.

Rather than simply reciting lines, students fully embodied their characters, skilfully weaving traditional folk tales and values of integrity into performances that captivated and moved their audience.

Their success is a strong reminder that language learning goes beyond textbooks — it is about storytelling, expression, and meaningful connection. Congratulations to both teams on a well-deserved achievement.

Mock Checkpoint/IGCSE Parent-Teacher Conference (PTC)

The recent Parent-Teacher Conference (PTC) was held following the Mock Examinations for Year 6, Year 9, and Year 11 students, providing an important platform for parents and teachers to engage in meaningful discussions about students' academic progress.

For Year 6 and Year 9 students, the focus was on Cambridge Checkpoint preparation, while Year 11 discussions centred on readiness for the Cambridge IGCSE examinations. These mock assessments serve as valuable practice, helping students familiarise themselves with examination expectations and identify areas for improvement ahead of the actual examinations.

The conference enabled parents to gain clearer insights into their child's strengths, challenges, and next steps, as well as practical ways to support learning at home. Emphasis was placed on the importance of consistent study habits, regular revision, and sustained effort over time.

Through close collaboration between parents and teachers, students are better supported in developing the discipline and confidence needed to approach their Checkpoint and IGCSE examinations with greater readiness.

Chinese New Year Celebration 2026

Gong Xi Fa Cai! Let's Celebrate!

The Year of the Horse is here!

Get ready for our lion dance, cultural performances, and non-stop festive energy! We're kicking off the lunar new year with style. Parents, you're invited too! Come witness the energy and talent of our students as they honour this cherished tradition. It's going to be a morning filled with joy, prosperity, and community spirit.

Wear your best red outfits and let's usher in a year of happiness and success together!

See you there!
