

Sports Day 2026: The Heat was On!

Some days, a school simply competes. On 18 April at ACS Ipoh, the sports houses of Imperial came to dominate.

From the first whistle to the final result, this was not a day for the faint-hearted. Topaz, Sapphire, Ruby, and Emerald collided on the track with a ferocity that had the stands shaking. Athletes ran like the scoreboard meant everything. Supporters cheered like silence was never an option. The heat was relentless — and so was Imperial.

Every sprint told a story. Every jump was a statement. Every cheer from the stands added fuel to an already raging fire.

But here is what set this day apart: when the dust settled and the scores were tallied, what remained was not rivalry — it was pride. A shared, unshakeable pride in what this school is capable of when everyone decides to show up and give it everything.

And in the end, the opening said it best — Topaz, Ruby, Sapphire and Emerald did not come to compete. They came to dominate.

Determination in Motion

Congratulations!

Best Sportsman of 2026: Sakuto

Best Sportswoman of 2026: Dhaanya

Our newly crowned champions: RUBY RHINOS!

See you at our next sports day

World Book Day 2026

This year's World Book Day made one thing clear — Imperial has no shortage of talented voices.

As part of the celebration, students showcased their abilities through a range of competitions, including Poetry in Action, Storytelling, and Public Speaking—just a few highlights from a vibrant line-up of activities that brought language and performance to life.

Each presentation was a reminder of what our students can achieve when given a stage, a microphone, and the confidence to express themselves.

Congratulations to all who took part—your participation and effort were commendable. We look forward to seeing even more emerging talents in the year ahead.

ISSAOP Interschool Badminton League 2026

Imperial's badminton team took their game beyond school grounds this year, competing at the International Schools Sports Association of Perak held at Seri Botani International School.

They faced strong competition, and yet our students stepped up and represented Imperial with pride and composure.

Well done to everyone who competed.

Young Leaders Camp 2026

Some lessons only reveal themselves when you step outside your comfort zone — and this year, our students did challenged themselves to go further. We came back stronger, confident and ready to lead.

To every teacher and facilitator who made it happen — thank you. It meant more than you know. Thank you to Asia Camp Semenyih for making this an incredible learning experience for us.

“Before you are a leader, success is all about growing yourself. When you become a leader, success is all about growing others.” — Jack Welch”
