Excellence in Learning, Leadership for Life 10 September 2026 Issue #048

Welcome to New Families!

On 28 August 2026, Imperial International School hosted an Orientation for New Families, providing an opportunity for our newest families to familiarise themselves with the school, meet members of our staff, and gain a better understanding of our programmes and school routines. We are pleased to welcome them to the Imperial community and look forward to supporting them throughout their journey with us.

First Day of School

The new academic year began with a warm and welcoming First Day of School, as students, parents and staff came together to mark the start of another exciting year at Imperial International School. Parents were invited to join their children on campus, providing an opportunity to meet our teachers and staff, learn more about the school, and become familiar with the community that will support their children throughout the year.

For our students, the day was filled with excitement as they settled into their new classes, met their teachers and began forming new friendships. Beyond the classroom, the first day also helped students build a sense of belonging as they connected with classmates and familiarised themselves with their new surroundings.

It was a meaningful start to the year, bringing together students, families and staff as one Imperial community. As we begin this new chapter, we look forward to a year of learning, growth, friendship and many memorable experiences together.

Character of the Month (September)

Respect

Respect is defined as recognising the value and dignity of ourselves and others, and treating people, places and things with care and consideration.

Respect can be seen in the smallest choices we make each day. A student who listens when others speak, includes someone who feels left out, cares for shared spaces and disagrees without putting others down is demonstrating respect.

Respect is especially important when people have different opinions, backgrounds, experiences or beliefs. We do not have to agree with everyone to treat them with dignity. A respectful person can express a different view, ask difficult questions and stand up for what is right while still considering the feelings and rights of others.

Respect also begins with how we treat ourselves. Recognising our own worth, setting appropriate boundaries and making responsible choices are important parts of developing respectful character.

Respect is not just about how we treat other people.

We can also show respect to animals, the environment and the world around us.

Be kind. Be considerate. Make a difference. ❤️

Animals

Treat animals with kindness and care.

The Environment

Keep our surroundings clean and take care of nature.

Our Surroundings

Look after shared spaces and property.

Imperial's CCA & ECA Fair

Our CCA and ECA Fair gave students the opportunity to explore the wide range of co-curricular and extra-curricular activities available at school. From sports to clubs, students discovered new interests, explored their passions and had the chance to step outside their comfort zones.

With a variety of activities on offer, we encouraged every student to try something new, challenge themselves and find something they enjoy. It was an exciting start to discovering new skills, building friendships and making the most of life beyond the classroom.

Assembly Highlights - 7 Sep

OUTSTANDING
CHECKPOINT AWARD
(UPPER PRIMARY)
JULIAN

OUTSTANDING
CHECKPOINT AWARD
(LOWER SECONDARY)
JUN MUN

We officially launched our Merdeka and Malaysia Day activities, celebrating our shared Malaysian identity and spirit of unity. The assembly also recognised our Year 6 and Year 9 students from the 2025/2026 cohort for reaching an important Cambridge Checkpoint examination milestone.

The celebration will continue on Monday, 14 September 2026, and will be officially officiated by YB Chan Ming Kai, Political Secretary to the Prime Minister.

CONGRATULATIONS TO OUR TAEKWONDO STARS!

Strength. Discipline. Determination. Success. These qualities were on full display as our Imperial Taekwondo students proudly represented the school at the Perak International Taekwondo Championship 2026, held from 23–26 July at ILKKM Ipoh.

We extend our congratulations to Sean, Hannah, Bhavaanii and Nil for their impressive performances, including podium finishes and strong placements across their respective categories. Their achievements are a reflection of the commitment and perseverance they demonstrate both during training and in competition.

Beyond the medals and results, we are especially proud of the discipline, confidence and sportsmanship they have shown throughout their Taekwondo journey. Each competition provides an opportunity to challenge themselves, learn from experience and grow stronger.

Well done to our Taekwondo stars! Your dedication and fighting spirit continue to make the Imperial community proud.

HAPPY BIRTHDAY

To our JULY and AUGUST babies!

Another year, another chapter,
Another reason to smile.

May your days be filled with laughter,
And your dreams go the extra mile!

Wishing you a wonderful birthday and a year filled with
happiness, success and unforgettable moments!
